

INTELLECTUAL PROPERTY (IP) MANAGEMENT CELL

JAMIA HAMDARD

On the initiative of our Hon'ble Vice-Chancellor the Intellectual Property (IP) Management Cell has been created to invigorate patent and technology transfer activities in the University. IP Management Cell will provide information, orientation and facilities to researchers of Jamia Hamdard for safe guarding the innovators interest. The guidance towards obtaining patents, facilitation of patent searches and getting the approvals from the competent authorities in the University while filing provisional/complete patent specifications will be provided by IP Management Cell. In addition to this the IP Management Cell would also work on various modalities on behalf of Jamia Hamdard for technology transfer/commercialization of patented technologies.
